Dear Jim,

Thank you so much for the excellent service provided by Anywhere Removals during our relocation from Flagstaff Hill to Glenelg earlier this year.

Given that my husband is often away on business and I am the one doing a lot of the organising for us, I found my contact with you (and your staff) prompt, friendly, courteous, professional and comfortable.

It is not a given that dealing with people inside your own home is always going to be this way.

I would highly recommend your Company to men, women and families alike without hesitation (and have done so!).

Best of luck with everything, and thanks again

Kind Regards

Ms Tracey Laws
